A requisite draft Bill is sent herewith.

2. The draft Bill was discussed with Minister for Law and Minister for Health. Both agreed that it will not be proper to do away with the time limit and that instead of six month the period of one year should be substituted in section 19(2). The draft Bill provides accordingly.

3. The subject matter of the draft Bill falls under entry 26 in List III in the Seventh Schedule to the Constitution. The Bill does not require any sanction or recommendation. As the proposed amendment is of a formal nature it is not necessary to obtain the previous approval of the Government of India under the executive instructions or to reserve the Bill for the consideration of the President with reference to article 254(2). The Bill must, however, be passed by the Legislature, receive the Governor's asseng and published as an Act in the Bombay Government Gazette before the 22nd July 1952 to enable Government to extend the date, if required, before the said dated.

Bom. XLVIII of 1951. WHEREAS it is expedient to amend the Bombay Homoeopathic Act, 1951, for the purpose hereinafter appearing; It is hereby enacted as follows :—

STATEMENT OF OBJECTS AND REASONS.

According to sub-section (2) of section 19 of the Bombay Homoeopathic Act, 1951, applications for registration are to be made to the Registration Tribunal not later than the expiry of six months from the date from which Chapter IV of the Act came into force.
